For your information, please find below your scores as well as those for the next best tender. These scores are based on the average technical points awarded by the evaluators according to the award criteria. You will also find the composite results of the evaluation:

Please take note of the possibility – as described in the instructions to tenderers – that the tender procedure may – under certain circumstances – be cancelled by the contracting authority. In no circumstances will the contracting authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the contracting authority has been informed of the possibility of damage. The publication of a contract notice does not commit the contracting authority to implement the programme or project announced.

Implementation of the tasks may not start before the contract is signed by both parties.

Yours sincerely,

Nino Merola
