Health and Gender-Based Violence

Reduction of gender-based violence and harmful practices through gender-sensitive governance

The project aims at **strengthening gender-responsive governance**, promoting **women's empowerment** and human rights, and **reducing violence** against women and girls by supporting institutions and stakeholders responsible for national policies and legislation on violence against women (VAW) and gender-based violence (GBV), allowing the whole population to benefit of **more effective, preventive and protective measures against violence** in Albania.

#CoordInActionGBV
#NoToGBV
#ZeroGBVAlbania

February 28, 2025: Official launch of the project at the Ministry of Health in the presence of Minister Ms. Albana Koçiu and the Italian Ambassador to Tirana H. E. Marco Alberti

Outcome 1

Strengthen the oversight role of CSOs and National Human Rights Institutions (NHRIs) in monitoring compliance with international and national standards on gender-based violence

Outcome 2

Improve the capacity and tools of Coordinated Referral Mechanisms to provide basic and specialized services to victims of violence according to guidelines and standard operational procedures (SOPs)

Outcome 3

Strengthen the capacity and resources of state and non-state actors to implement gender-responsive planning and budgeting.
(Gender Responsive Budgeting)

November 27, 2025: Successful bootcamp for the youth of Dibër, Klos, Bulqizë and Mat as part of the 16-days campaign against GBV

December 9, 2025: At work with the Municipality of Tirana and representatives of the Ministry of Health for the new National Law
